The Economic graduate group program is the seventh and the newest in SSHA! This fall semester, new Graduate Group Chair Justin Cook and the ECON faculty welcomed seven new graduate students that make up the first cohort!

In this remote environment, these monthly virtual office hours are for SSHA graduate students from all seven graduate groups to come together and ask questions, meet one another, learn about upcoming events and create a network. Every month, there is a theme to the office hour based on upcoming events, deadlines, or milestones. Check your email for the calendar invites and monthly flyers!
